INTERESTING TOTALS

Statement of National Commissioner

OKLAHOMA LAND OFFICES

There is Nothing in Reference to
El Reno Office—Complete
Report of all Others

Washington, D. C. Nov. 15.—The statement of the commissioner of the land office, Mr. Binger Hermann, about the Oklahoma land offices contains some interesting totals beyond what was telegraphed a few days ago. There is nothing, of course, about the El Reno land office, because that was not established till after the fiscal year ending June 30, which period the statement covers. The salaries, fees and commissions of register and receiver in each of the Oklahoma land offices, amount to \$6,000 a year and the expenses of running each office are increased by incidentals and in some cases by the expense of depositing public moneys.

At the Alva office, over the management of which there has not been a contention in months gone by, the amount received for reducing testimony to writing was \$3,275.71. The cash sales at the office during the year numbered 100 even for 80.21 acres of land, which brought the government \$15,288.33. The original homestead entries numbered 1,265 for 18,145.56 acres, which yielded in commissions \$4,526.90 and in fees \$1,080. The final homestead entries at the Alva office numbered 2,166 for a total acreage of 339,120.33 on which the commissions turned in to the government amounted to \$8,503.07. There were only fourteen soldiers and sailors homestead entries during the year. The amount received for reducing testimony to writing was \$3,275.71.

At Enid the incidental expenses of the office amounted to \$1,785.83 and the expense of depositing public moneys \$7.24. The total cash sales there during the year were 104 for 289.54 acres of land that brought \$8,462.25. The original homestead entries numbered 149, covering 31,584.41 acres, which yielded \$540.27 in commissions and \$1,396 in fees. The final homes stead entries of the year at the Enid office numbered 2,786 conveying 435,947.26 acres, yielding \$10,701.65 in commissions.

There was only one soldier's entry in the Enid office but the amount received for reducing testimony to writing was \$2,374.00.

The above is probably an average of the business done at the other offices and shows a large increase in population for the territory.

COMING TO ANADARKO

THREE MONTH SERVICE FREE.

DR. WILLIAM LEE, DISTINGUISHED THROAT AND LUNG SURGEON, EYE AND EAR EXPERT AND NOTED SPECIALIST.

Who has enjoyed such wonderful success in Japan, Europe, New York and this state, will be in Anadarko on Tuesday and Wednesday, Nov. 26 and 27 at Hotel Florence, two days only, and every four weeks thereafter.

All invalids who visit the eminent specialists on that date will receive three months service free. Their long experience in the largest hospitals in the world enables them to successfully treat all chronic diseases, such as consumption, rheumatism, tuberculosis, neuritis, sciatica, neuralgia, etc., and to remove all sorts of infirmities, including feeble-mindedness, deafness, etc. They will accept no money, however, for services, but they will not accept incurable cases. They will examine you thoroughly, free of charge and if incurable will frankly and kindly tell you so.

Young men who have become victims of solitary vice, that dreadful habit that sweeps annually to an untimely grave thousands of young men of exalted talent and brilliant intellect, may call with confidence.

Take one candid thought before it is too late. A week or a month may place your case beyond reach of hope. Remember it cost you nothing to consult these eminent specialists, therefore the most humble in circumstances can afford to avail themselves of their vast experience. Catarrh and catarrhal deafness is positively and permanently cured by their Japanese method.

Dr. Lee gives special attention to the diseases of ladies. Merit rewarded. His cures are unequalled in the history of science. His remedies will positively and permanently cure female diseases. The doctor can be consulted in his parlors at the Hotel Florence.

Office hours from 9 a. m. to 8 p. m. The doctor will make monthly visits hereafter.

See August Werner this week for paints, oils, glass and wall paper. Sold at cost. 6154
